

Erratum: Assessment of serum antimutated citrullinated vimentin antibodies in rheumatoid arthritis

In the article titled, "Assessment of serum antimutated citrullinated vimentin antibodies in rheumatoid arthritis" published in pages 62-67, Issue 2, Vol. 42 of Egyptian Society for Rheumatology and Rehabilitation[1], the running head of the article is written incorrectly as "Potential role of antimutated citrullinated vimentin antibodies in rheumatoid arthritis" instead of "Assessment of serum antimutated citrullinated vimentin antibodies in rheumatoid arthritis".

This has now been corrected and reposted online.
